1.0 Mental Health Indicators

MH 1.04 Average Weight per Case by Age Category

This table and chart present the ARIW for all inpatient DAD mental health cases by age category. The average inpatient weight per case represents the inpatient Resource Intensity Weight (RIW) which is reflective of the amount of resources required by the hospitals to care for patients based on the CMG during their hospital stay. A zero volume is shown as blank.

- 0 - 7 years
- 8 - 12 years
- 13 - 17 years

2.0 Mental Health ED Indicators

2.03 - ED Mental Health Visits by Top Main Problems

This table displays the Top 10 main problems/most responsible diagnosis by Academic Health Sciences Centers and Community Hospitals for mental health ED visits.

AHSC			
Main Problem ICD10	Description	# of ED Visits	% of ED Visits
F430	Acute stress reaction	732	14%
F419	Anxiety disorder unspecified	709	13%
R458	Oth symptoms signs inv emotional state	611	11%
F329	Depressive episode unspecified	593	11%
F100	Ment/beh disrd dt alcohol use ac intox	334	6%
R4688	Oth sym signs inv appearance behaviour	310	6%
F432	Adjustment disorders	198	4%
F410	Panic disrd [ep paroxysmal anxiety]	164	3%
F919	Conduct disorder unspecified	155	3%
F959	Tic disorder unspecified	117	2%

Community Hospital			
Main Problem ICD10	Description	# of ED Visits	% of ED Visits
F329	Depressive episode unspecified	1,972	14%
F419	Anxiety disorder unspecified	1,949	14%
F430	Acute stress reaction	1,935	14%
R458	Oth symptoms signs inv emotional state	1,566	11%
F432	Adjustment disorders	1,108	8%
F100	Ment/beh disrd dt alcohol use ac intox	887	6%
R4688	Oth sym signs inv appearance behaviour	386	3%
F410	Panic disrd [ep paroxysmal anxiety]	347	2%
F919	Conduct disorder unspecified	220	2%
F101	Ment/beh disrd dt harmful alcohol use	184	1%

2.0 Emergency Department Mental Health

2.04 - MH ED Revisits by Site

The table and chart below the number of Emergency Department mental health revisits by hospital. A revisit is defined as a patient who revisited the ED any of the Benchmarking Report participating facility within 30 days of their last visit from any of the Benchmarking Report participating facilities.
